

## RESOLUTION NO: 285

RESOLVED, that the city council of the city of Polson, Montana, will grant both water and sewer hook-up to the Charles Devlin Properties to permit the erection and operation of a nursing home thereon, on the condition that Mr. Devlin extends the water and sewer lines at his own expense; and according to the specifications to be established by the Engineers of the City of Polson, Montana, and on such condition for reimbursement by subsequent users of the extended water and sewer lines as the City Council may determine equitable, such water and sewer line connection to be permitted immediately upon annexation of the Charles Devlin Properties to the City of Polson, It being understood, that annexation will depend upon simultaneous annexation of the property adjacent to the north.

ATTEST:

Don Corrigan  
Mayor

Walter E. Maddy  
City clerk
