RESOLUTION NO. 579

A RESOLUTION TO DEFINE THE CITY OF POLSON WATER SERVICES.

WHEREAS, the City of Polson has determined it necessary and appropriate to establish a water service area in order to identify those persons and property entitled to connect to the City Water System, subject to the terms, conditions and charges incidental thereto;

NOW, THEREFORE, it is hereby resolved that the City of Polson water service area does include properties both within and outside the corporate limits of the City of Polson which are adjacent to water main lines which transport water through the City water system. In accordance with conditions imposed by the Public Service Commission and existing Court decisions, the City will provide water services at its' fees, as determined by the City Council, to these properties pursuant to request of the property owners. The determination of whether to provide City water services to properties outside of the existing City water service area shall be left to the discretion of the City Council on a case by case basis. The City water service area shall be more particularly identified on a City Water Service Area Map which shall be located at City Hall, and which shall be periodically updated by the Superintendent of the City Water and Sewer Department.

PASSED AND APPROVED THIS 6th day of April, 1992.

  
James W. Jones  
Mayor
