

RESOLUTION NO. 600

## A RESOLUTION TO REDEFINE AND CLARIFY THE CITY OF POLSON WATER SERVICE AREA.

WHEREAS, the City of Polson has determined it necessary and appropriate to redefine and clarify its Water Service Area in order to identify those persons and properties entitled to connect to the City Water System, subject to the terms, conditions and charges incidental thereto;

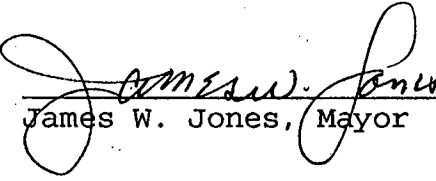

NOW, THEREFORE, IT IS RESOLVED that the City of Polson Water Service Area is defined to be those properties within the corporate limits of the City of Polson, and those properties outside of the City of Polson which contain not less than 50 feet of frontage adjacent to a City of Polson installed and operational water mainline. The City of Polson will provide water service at its usual fees determined from time to time by the City Council to these properties pursuant to the request of the property owners.

In connection with those properties outside of the Water Service Area as defined hereinabove, the determination as to whether to provide water service shall be left to the discretion of the City Council on a case-by-case basis, and, for those properties where determined necessary or appropriate, the Council shall require:

1. Covenants signed by the property owners declaring a waiver of protest with respect to any future actions seeking annexation of the subject property to the City of Polson;
2. Appropriate easements for installation of water and sewer service and/or mainlines with sufficient width to allow installation and maintenance with acceptable separation as defined by the Montana Department of Health. Consideration shall be given both to the installations sought and to future expansion, and development and potential annexation of the subject, and surrounding properties;
3. Owner assumption of responsibility for the installation costs of service for mainlines;
4. The City Council may in its discretion limit the number of service connections allowed with respect to properties outside the corporate limits of the City of Polson.

Resolution No. 579 is hereby repealed by this Resolution, which shall be effective upon the date of passage.

PASSED AND APPROVED THIS 2<sup>ND</sup> day of November, 1992.
