

RESOLUTION NO. 636

A RESOLUTION REQUIRING BUILDING PERMIT AND COMPLIANCE WITH CITY BUILDING REGULATIONS WITHIN WELL HEAD PROTECTION AREA.

WHEREAS, State law has created well head protection zones encompassing defined areas surrounding three water wells owned and utilized by the City of Polson; and

WHEREAS, Because State law prohibits individual septic tank and sewage disposal systems within the prescribed well head zones, buildings of new construction are required to hook up to the City of Polson sewage and water system and be annexed to the City limits; and

WHEREAS, all property owners within the well head protection zones know or should know of the requirement to hook up to the City of Polson sewage and water system prior to construction or development of their respective properties.

NOW THEREFORE, it is hereby resolved that all property owners commencing construction and development upon their respective properties located within the well head protection zones from and after the date of this Resolution obtain a City of Polson Building Permit and comply with all City of Polson Building Codes prior to construction and as a condition of annexation and hooking up to City of Polson sewer and water utilities.

PASSED AND APPROVED THIS 16th day of May, 1994.
