

RESOLUTION NO. 648

RESOLUTION AUTHORIZING POLSON CERTIFIED CITIES COMMITTEE TO COMPLETE RECERTIFICATION REQUIREMENTS ON BEHALF OF THE CITY OF POLSON.

The City Council of Polson, Montana, hereby resolves to endorse the Polson Certified Cities Committee as the sponsoring organization for Polson, which became a Montana Certified Community in 1988; and authorizes it to complete recertification requirements on behalf of the community. We realize that failure to comply with recertification requirements established by the Montana Certified Communities Program will result in exclusion from preferential information and referrals from the Montana Department of Commerce.

Additionally, it is understood that if certification lapses, and the community seeks to later renew the designation as a Montana Certified Community, that it must comply with the full program requirements of a community seeking original certification.

We pledge to cooperate in achieving the requirements which will entitle our community to be certified for three additional years.

PASSED AND ADOPTED this 17th day of October, 1994.
