

RESOLUTION NO. 666

THE CITY OF POLSON HEREBY RESOLVES to consent to a two lane truck bypass of the City of Polson, pursuant to section 60-2-211(3) MCA. Such corridor for the bypass is identified in the Draft Environment Impact Study. The City consents to the bypass provided the following conditions are met:

- The State of Montana will work to upgrade the existing Highway 93 through the City of Polson, (within the next two to five years), by adding signals where appropriate, with input from the City Council, placing curbs and gutters from Cherry Hill Motel through Super One Foods, and improving, and where possible widening, the existing bike pedestrian way from Karen's Produce to Kwataqnuq Resort.
- The State of Montana will continue to maintain Highway 93 through Polson including, sanding, plowing, sweeping, pavement maintenance and signalization. The truck corridor shall not open prior to July 1, 2005.
- That only two intersections be allowed on the truck bypass, one off of Kerr Dam Road and one off of Irvine Flats Road, further the City Council recommends an overpass with signalization and stop signs at the intersection of Skyline Drive and the proposed bypass.
- That the truck bypass be a limited access highway to eliminate or minimize commercialization.
- That the Highway 93 four lane south of Polson continue north over the hill to Highway 35 and the truck bypass intersections with Highway 93 be designed with City Council input and advice. That a cloverleaf be considered for the southern entrance to the bypass.
- That the truck bypass be labeled "TRUCK ROUTE - NO SERVICES" and that the present Highway 93 be labeled "SCENIC AND BUSINESS ROUTE".

DATED this 7th day of August 1995.
